STATEMENT OF RESULTS FOR THE 2023/2024 YOUNG INSURANCE PROFESSIONALS' PROGRAMME (YIPP)

STUDENT NAME: WANANGWA KALUA

AVERAGE SCORE : 80,65%

The average score is the computation of the cumulative score by the number of courses taken during the programme

Based on your performance during the e-learning programme, please see below your final result for each course.

The Young Insurance Professional Programme (YIPP) which is another milestone in the CSR initiatives of Africa Re is an online training targeted at creating a platform for young brilliant graduates to have an accelerated career development which will inevitably result in an upgrade of skills and knowledge at the junior and mid-level management thereby contributing to the overall growth and progress of the African Insurance/Reinsurance Industry for sustainability and poverty alleviation which is in alignment with the vision and mission statements of Africa Re.
